## Gold Weather

Just another reminder to be sure all children are dressed appropriately and prepared with a jacket as we move into colder weather. The state requires that all children are outside daily in weather as low as 25°F. You are welcome to leave a heavy jacket, hat and/or gloves in your child's cubby or bring them each day.

## Feature A Teacher

Ms. Kat is our support teacher in the Secondary classes. She helps teach students in both preschool and pre-k. Ms. Kat is from Maytown, PA, and has been working in early child for 3 years. Her favorite part of working in early child is getting to help build the foundation of children's learning and working with her amazing co-teachers. Her funniest teaching moment was when a child asked why she became a teacher. Then he asked if she became a teacher to watch the students each lunch. In her spare time, Ms. Kat likes to play games, play and coach soccer, read, write, and spend time with her family and friends. If she could travel any where she would go to the Bahamas!
